SITE SUBLEASE AGREEMENT

This SITE SUBLEASE AGREEMENT, dated as of May 8, 2001 (this "Site Sublease"), between DYNEGY DANSKAMMER, L.L.C., a Delaware limited liability company (the "Ground Sublessee" or the "Company") and DANSKAMMER OL LLC, a Delaware limited liability company ("Ground Sublessor" or the "Owner Lessor").

WITNESSETH:

WHEREAS, the Company owns the Facility Site, which is more particularly described on Exhibit A hereto

WHEREAS, the Company owns the Retained Sites, which are more particularly described on Exhibit B hereto;

WHEREAS, concurrently with the execution and delivery of this Site Sublease, the Owner Lessor has acquired the Facility from the Company pursuant to the Bill of Sale and the Deed;

WHEREAS, concurrently with the execution and delivery of this Site Sublease, the Company and the Owner Lessor have entered into a Site Lease Agreement (the "Site Lease"), pursuant to which the Company leases the Facility Site to the Owner Lessor;

WHEREAS, the Facility Site does not include any part of the Facility or the Retained Sites, and no part of the Facility or the Retained Sites is being leased to the Ground Sublessee hereunder; and

WHEREAS, pursuant to this Site Sublease, the Ground Sublessor is subleasing its leasehold interest in the Facility Site to the Ground Sublessee for a term coterminous with that of the Facility Lease.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

SECTION 1. DEFINITIONS

Unless the context hereof otherwise requires, capitalized terms used in this Site Sublease, including those in the recitals, and not otherwise defined herein shall have the respective meanings set forth in Appendix A attached hereto. The general provisions of such Appendix A shall apply to the terms used in this Site Sublease.

SECTION 2. SUBLEASE OF GROUND INTEREST

Section 2.1. Sublease of Ground Interest. (a) The Ground Sublessor hereby conveys, grants and assigns to the Ground Sublessee for the Site Sublease Term the Ground Interest (it being expressly agreed that the manner of the utilization of the Cross Easement Rights may be

increased in connection with the use and operation of the Facility during the term of the Site Sublease to be more beneficial to the Ground Sublessee), upon the terms and conditions set forth herein for the term and renewal terms described below, and the Ground Sublessee hereby accepts such conveyances, assignments and grants from the Ground Sublessor.

(b) The conveyances, grants and reassignment in Section 2.1(a) are intended to give the Ground Sublessee the right of ingress and egress to the Facility, the right to use and operate the Facility and the other rights described in Section 5.

(c) The Ground Sublessor and the Ground Sublessee understand and agree that (i) the conveyances, grants and reassignment in Section 2.1(a) are subject to Permitted Liens and to the terms and conditions of the Site Lease, including, without limitation, the Ground Sublessee's rights, as the lessor under the Site Lease, in Sections 4.2 and 4.3 of the Site Lease, (ii) the Ground Sublessor does not have legal title to the Facility Site, and (iii) fee title to the Facility is vested in the Ground Sublessor and no part of the Facility is being leased or subleased hereunder.

(d) With respect to the easements granted pursuant to this Section 2.1, the following provisions shall apply:

(i) All easements granted herein shall be deemed easements appurtenant to the parcel of, or interest in, the real property interest benefited thereby and shall run with such interest or real property and shall be deemed covenants running with the real property burdened thereby.

(ii) Notwithstanding anything in this Site Sublease to the contrary, any easement granted hereunder, including any facility relating thereto, may be relocated in accordance with the terms of the Site Lease.

(iii) The following shall apply in interpreting any easement granted pursuant to this Section 2.1:

(1) With respect to any easement created by this Section 2.1, the words "in," "upon," "to," "on," "over," "above," "through" and/or "under" shall be interpreted to include all of such terms.

(2) Any easement granted herein includes the right to trim, cut, treat and/or remove, by manual, mechanical, and chemical means, any and all trees, brush and other vegetation within the easement area, as well as such trees, brush and vegetation outside of the easement area deemed reasonably necessary or desirable by the Ground Sublessee for the safe and secure operation of its facilities.

(3) Subject to the provisions of Applicable Laws (including applicable Environmental Laws), each easement granted herein shall include the right to maintain, repair and replace any and all pipes to transport water, waste water, sewer and gas. It is intended that there shall be included within such grant any and all rights and easements needed for the construction, operation, maintenance, repair, alteration and renovation of the pipelines in

such easement areas; whether any such rights and easements are presently in use, or needed in the future.

(e) With respect to the easements and the rights, privileges and licenses granted pursuant to this Section 2.1, the following provisions shall apply:

(i) Except as otherwise expressly provided herein, each easement and each right, privilege and license granted herein is and shall be a grant, transfer, conveyance and right of Access (as defined in the Cross Easement Agreement) to and use (subject to the terms of this Agreement) to the Ground Sublessee and to any future permitted sublessee or operator of the Ground Interest.

(ii) Each easement and each right, privilege and license granted herein shall terminate upon the expiration or earlier termination of this Site Sublease in accordance with the terms hereof but shall otherwise be irrevocable during the term of this Site Sublease.

(iii) Each easement and each right, privilege and license granted herein may be enjoyed without additional charge or fee to the Ground Sublessee, other than rent payable pursuant to Section 3.1.

Section 2.2. Basic Site Sublease Term. The term of the foregoing sublease to the Ground Sublessee shall commence on the Closing Date and shall terminate at 11:59 p.m. (New York City time) on the Expiration Date (the "Basic Site Sublease Term"), subject to early termination in whole or in part pursuant to Section 2.5 hereof and renewal pursuant to Section 2.3 hereof.

Section 2.3. Renewal Site Sublease Term. If the Company exercises its option to renew the Facility Lease for one or more Renewal Lease Terms pursuant to Section 15 of the Facility Lease, the Basic Site Sublease Term shall automatically and without further act by any Person be renewed for a term or terms which shall be coterminous with the Renewal Lease Term(s) under the Facility Lease (each, a "Renewal Site Sublease Term" and, together with the Basic Site Sublease Term, the "Site Sublease Term"). Notwithstanding anything to the contrary contained herein, in no event shall the Site Sublease Term exceed forty-nine (49) years.

Section 2.4. Return of Ground Interest. Upon the expiration or early termination of the this Site Sublease in whole or in part, the Ground Sublessee shall (a) return the Ground Interest or the applicable portion thereof to the Ground Sublessor by surrendering the Ground Interest or such portion thereof into the possession of the Ground Sublessor without representation or warranty, other than a warranty that such Ground Interest or such portion is free and clear of all Liens other than Permitted Liens without any other liability or cost to the Ground Sublessee, and (b) upon the request of the Ground Sublessor, execute, acknowledge, and deliver a release (or termination) of the Ground Interest or such portion thereof which release (or termination) shall be prepared by the Ground Sublessor at the expense of, and in a form reasonably satisfactory to, the Ground Sublessee to be duly recorded at the Ground Sublessee's expense with the Orange County Clerks Office, Orange County, New York. The obligations of the Ground Sublessee under this Section 2.4 shall survive the termination of this Site Sublease.

Section 2.5. Early Termination of Site Sublease Term. Notwithstanding anything to the contrary in this Site Sublease, the Site Sublease Term shall automatically terminate upon the expiration, cancellation or early termination of the Facility Lease. Upon the early termination of the Facility Lease with respect to a Unit pursuant to Section 10 thereof and upon satisfaction of the terms and provisions of Section 2.8(b) of the Site Lease, the Site Sublease Term shall automatically terminate with respect to the Released Unit Ground Interest Portion. If the Facility Lease is terminated with respect to a Unit pursuant to Section 10 thereof and the Owner Lessor does not tender such Unit to the Facility Lessee, either the Ground Sublessor or the Ground Sublessee may, at its option, terminate this Site Sublease with respect to the portion of the Ground Interest relating to the Unit that is no longer subject to the Facility Lease, as determined by the Ground Sublessor and the Ground Sublessee, each acting reasonably (such portion, the "Non-Subleased Portion"). Any such termination under this Section 2.5 shall be without any further act of any Person. Upon termination of the Site Sublease Term in whole or in part the Ground Sublessee shall return the Ground Interest or the portion thereof in accordance with Section 2.4. Upon the request of the Ground Sublessor, the Ground Sublessee shall execute, acknowledge, and deliver a termination of the Site Sublease with respect to the Ground Interest or such portion thereof, which termination shall be prepared by the Ground Sublessee at its expense and in a form reasonably satisfactory to the Ground Sublessor to be duly recorded at the Ground Sublessee's expense with the Orange County Clerks Office, Orange County, New York.

Section 2.6. Nonterminability. Subject to Section 2.5 hereof, the Site Sublease Term shall not be terminated nor shall any of the rights granted or conveyed hereunder to the Ground Sublessee be extinguished, diminished, lost or otherwise impaired, in whole or in part, by any circumstance of any character or for any reason whatsoever, including any of the following: (a) any loss or destruction of, or damage to, the Facility, any Component thereof or interruption or cessation in the use or possession thereof or any part thereof by the Ground Sublessee for any reason whatsoever and of whatever duration, (b) the condemnation, requisitioning, expropriation, seizure or other taking of title to or use of the Facility, any Component thereof or any part thereof by any Governmental Entity or otherwise, (c) any prohibition, limitation or restriction on the use by any Person of all or any part of its property or the interference with such use by any Person, or any eviction by paramount title or otherwise, (d) any inadequacy, incorrectness or failure of the description of the Facility Site or the Ground Interest or any part thereof or any rights or property in which an interest is intended to be granted or conveyed by this Site Sublease, (e) the insolvency, bankruptcy, reorganization or similar proceedings by or against the Ground Sublessor, the Ground Sublessee or any other Person, (f) the failure by the Ground Sublessee to comply with Section 3 or 5 or any other provision hereof, or (g) any other reason whatsoever, whether similar or dissimilar to any of the foregoing.

SECTION 3. RENT FOR THE SUBLEASE OF GROUND INTEREST

Section 3.1. Rent. The Ground Sublessee agrees to pay as rent for the sublease of the Ground Interest to the Ground Sublessor pursuant to this Site Sublease the amount of rent payable under the Site Lease for the corresponding period, which rent shall be paid on the dates set forth in the Site Lease, except that if the Facility Lease is terminated with respect to a Unit pursuant to Section 10 thereof and the Owner Lessor does not tender such Unit to the Facility Lessee such that in accordance with Section 2.5 the Non-Subleased Portion is leased to the Ground Sublessor pursuant to Section 2.1 of the Site Lease but is not subleased to the Ground

Sublessee pursuant to Section 2.1, rent payable during the remainder of the Site Sublease Term for the Ground Interest shall be the amount specified above multiplied by the Unit Percentage for the Unit that continues to be subject to the Facility Lease. Rent shall be prorated for any partial period on the basis of the actual number of days in such period.

Section 3.2. Payment. The Ground Sublessor and the Ground Sublessee agree that, during the Site Sublease Term, each payment of rent by the Ground Sublessor, as lessee, for the lease of the Ground Interest pursuant to Section 3.1 of the Site Lease and each payment of rent by the Ground Sublessee for the sublease of the Ground Interest pursuant to Section 3.1 hereof shall be offset, and no amounts shall be payable by the Ground Sublessor or the Ground Sublessee in respect thereof, except that if the Facility Lease is terminated with respect to a Unit pursuant to Section 10 thereof and the Owner Lessor does not tender such Unit to the Facility Lessee such that the Non-Subleased Portion is leased to the Ground Sublessor pursuant to Section 2.1 of the Site Lease but is not subleased to the Ground Sublessee pursuant to Section 2.1, the portion of the rent under the Site Lease equal to the Unit Percentage of the Unit that is no longer subject to the Facility Lease shall not be offset but shall be paid by the Ground Sublessor to the Ground Sublessee under the Site Lease.

SECTION 4. QUIET ENJOYMENT IN FAVOR OF THE GROUND SUBLESSEE

Section 4.1. Ground Sublessee's Right of Quiet Enjoyment. The Ground Sublessor warrants that it has full right and authority to sublease the Ground Interest to the Ground Sublessee pursuant to the terms of this Site Sublease and agrees that, notwithstanding any provision of any other Operative Document, so long as the Site Sublease Term has not been terminated pursuant to the express provisions of Section 2.5 hereof, neither the Ground Sublessor nor any Person claiming by, through or under the Ground Sublessor shall, through its or their own actions or inactions, interfere with or interrupt the quiet enjoyment of the use, operation and possession by the Ground Sublessee of the subleasehold interest in the Ground Interest subject to the terms hereof; *provided*, that the Ground Sublessor's covenant does not relate to actions of the Lease Indenture Trustee.

Section 4.2. Conveyances Pursuant to the Site Lease. Sales, grants of leases or easements and conveyances of portions of the Facility Site, rights of way, easements or leasehold interests made or reserved by the Ground Sublessee in accordance with Sections 4.2 or 4.3 of the Site Lease shall not constitute a breach of the Ground Sublessee's right of quiet enjoyment under this Site Sublease. In light of the nature of the Released Property to be sold, granted, released, leased or conveyed, either (x) this Site Sublease shall be subject to the interest created in connection with the Released Property or (y) the Released Property shall no longer be a part of the Ground Interest and shall automatically be deemed to be subject to or released from the effect of this Site Sublease and any Lien on the Ground Interest or otherwise under this Site Sublease, in either case, without the necessity of the execution, delivery or recording of any further instrument whatsoever. Any grant, sublease, assignment, encumbrance or conveyance by the Ground Sublessor of its rights, title or interest under this Site Sublease shall not constitute a breach of the Ground Sublessee's right of quiet enjoyment under this Site Sublease; *provided* that such grant, sublease, assignment, encumbrance or conveyance expressly provides that the Ground Sublessor's interest under this Site Sublease is subject to the Ground Sublessee's release rights set forth in Section 4.2 and 4.3 of the Site Lease, that any Released Property shall

automatically be deemed to be released from the effect of any such grant, sublease, assignment, encumbrance or conveyance without the necessity of the execution, delivery or recording of any further instrument whatsoever, and that the other party to such grant, sublease, assignment, encumbrance or conveyance shall, at the request and expense of the Ground Sublessee, execute and deliver such documents and instruments as may be reasonably requested by the Ground Sublessee to evidence the foregoing.

SECTION 5. USE OF GROUND INTEREST

Section 5.1. Use. The Ground Sublessee's rights hereunder to use the Ground Interest during the Site Sublease Term shall be limited to the right of the Ground Sublessee to use (a) the Facility Site in connection with the use, operation, maintenance, repair, upgrade, improvement, alteration, removal, restoration and modification of the Facility in accordance with the terms of the Operative Documents, which shall include the right to construct, install, operate, use, repair and relocate facilities, equipment and/or structures on or under the Facility Site, including buildings, roads, paths, walkways, sanitary sewers, storm drains, water, gas and/or oil mains, waste disposal systems, electric power lines, transmission lines, telephone, television and telecommunication lines, fire protection systems, safety sensor and monitoring systems and utility lines and systems, all as are reasonably necessary or advisable for the commercial operation of the Facility; and (b) the Cross Easement Rights in connection with the use and operation of the Facility; provided, that the Ground Sublessee may not relocate or expand any easement or any facility relating thereto except as expressly provided in Section 2.1(a) or as permitted under the Site Lease.

Section 5.2. Compliance with Environmental Laws. The Ground Sublessee will comply with all Environmental Laws of any Governmental Entity having jurisdiction as the same pertain to the Facility Site, unless such noncompliance (A) is not reasonably likely to have a Material Adverse Effect or involve any danger of foreclosure, sale, forfeiture or loss of, or imposition of a Lien on, the Facility or the impairment of the use, operation or maintenance of the Facility in any material respect, and (B) could not result in any criminal liability being incurred by, or could not reasonably be expected to have any material adverse effect on the interests of, the Owner Participant or the Ground Sublessor.

SECTION 6. TRANSFER OF GROUND INTEREST

The Ground Sublessee expressly agrees that the Ground Sublessee shall not transfer the Ground Interest except as part of the Ground Sublessee's transfer of the Facility Lessee's Interest pursuant to the Operative Documents. The Ground Sublessor acknowledges that the Ground Sublessee shall have the right to sublease or assign the Ground Interest to a Person that is a sublessee or assignee of the Facility in accordance with Section 19 of the Facility Lease or Section 13.2 of the Participation Agreement.

SECTION 7. LIENS

The Ground Sublessee agrees that it will not, directly or indirectly, create, incur, assume or suffer to exist any Lien on or with respect to the Ground Interest or the Facility Site other than Permitted Liens, and the Ground Sublessee shall promptly notify the Ground Sublessor of the

imposition of any such Lien of which the Ground Sublessee is aware and shall promptly, at its own expense, take such action as may be necessary to fully discharge or release any such Lien.

SECTION 8. SEVERANCE

The Facility, Components, Replacement Components, all equipment at any time acquired by the Ground Sublessor and located on the Facility Site and each part thereof have been severed from the Facility Site and from title thereto, shall be considered as personal property, and even though attached or affixed to or installed upon the Facility Site, as the case may be, shall not be considered to become fixtures or a part of the Facility Site.

SECTION 9. NONMERGER

The reversionary interest of the Ground Sublessee in the Ground Interest shall not merge into any interest in the Ground Interest conveyed by this Site Sublease even if such reversionary interest and such interest leased are at any time vested in or held directly or indirectly by the same Person, but this Site Sublease shall nonetheless remain in full force and effect in accordance with its terms notwithstanding such vesting or holding unless and until the Person holding such interests shall execute an instrument effecting such merger and shall duly record such instrument. No such instrument of merger shall be executed and recorded unless and until the Lien of the Lease Indenture on the Indenture Estate has been discharged in accordance with the terms thereof.

SECTION 10. SECURITY FOR OWNER LESSOR'S OBLIGATION UNDER LESSOR NOTE

In order to secure the Notes, the Ground Sublessor will, by the Lease Indenture, assign and grant a Lien to the Lease Indenture Trustee in and to all of the Ground Sublessor's right, title and interest in, to and under the Site Lease, this Site Sublease and the Ground Interest (other than Excepted Payments and Excepted Rights). The Ground Sublessee hereby consents to such assignment and creation of such Lien and any sale arising from or in connection with the exercise of remedies and acknowledges receipt of copies of the Lease Indenture, it being understood that such consent shall not affect any requirement or absence of any requirement for any consent under any other circumstances. Unless and until the Ground Sublessee shall have received written notice from the Lease Indenture Trustee that the Lien of the Lease Indenture has been fully released, the Lease Indenture Trustee under the Lease Indenture shall have the rights of the Ground Sublessor under this Site Sublease to the extent set forth in and subject in each case to the exceptions set forth in the Lease Indenture.

SECTION 11. INSPECTION

During the Site Sublease Term, each of the Owner Participant, the Ground Sublessor, and, so long as the Lien of the Lease Indenture shall not have been terminated or discharged, the Lease Indenture Trustee and the Pass Through Trustees and the respective representatives of such Persons may, during normal business hours, on reasonable notice to the Ground Sublessee and at their own risk and expense (except, at the expense but not risk, of the Ground Sublessee when a Significant Lease Default or a Lease Event of Default has occurred and is continuing), inspect the Facility Site, and the records with respect to the operations and maintenance thereof,

in the Ground Sublessee's custody or to which the Ground Sublessee has Access; *provided, however,* that so long as no Significant Lease Default or Lease Event of Default shall have occurred and be continuing, each such Person shall only be entitled to make one inspection in any 12-month period, *provided, further, however,* that any such Person may make more than one inspection during the last 18 months of the Site Sublease Term unless the Ground Sublessee has exercised its option under Section 15 of the Facility Lease to renew the Facility Lease and thereby extending the Site Sublease Term beyond such 18-month period. Any such inspection will not unreasonably interfere with the operation or maintenance of the Facility, or the conduct by the Ground Sublessee of its business and will be in accordance with the Ground Sublessee's safety and insurance programs. In no event shall any of the Ground Sublessor, the Owner Participant, the Lease Indenture Trustee or the Pass Through Trustee have any duty or obligation to make any such inspection and such Persons shall not incur any liability or obligation by reason of not making any such inspection.

SECTION 12. MISCELLANEOUS

Section 12.1. Amendments and Waivers. No term, covenant, agreement or condition of this Site Sublease may be terminated, amended or compliance therewith waived (either generally or in a particular instance, retroactively or prospectively) except by an instrument or instruments in writing executed by each party hereto.

Section 12.6. Severability. Any provision of this Site Sublease that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 12.7. Counterparts. This Site Sublease may be executed in separate counterparts, each of which, when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

Section 12.8. Headings and Table of Contents. The headings of the sections of this Site Sublease and the Table of Contents are inserted for purposes of convenience only and shall not be construed to affect the meaning or construction of any of the provisions hereof.

It is expressly understood and agreed by the parties hereto that (a) this Site Sublease is executed and delivered by Wilmington Trust Company ("Wilmington"), not individually or personally but solely as Lessor Manager under the LLC Agreement, in the exercise of the powers and authority conferred and vested in it pursuant thereto, (b) each of the representations, undertakings and agreements herein made on the part of the Owner Lessor is made and intended not as personal representations, undertakings and agreements by Wilmington, but is made and intended for the purpose for binding only the Owner Lessor, (c) nothing herein contained shall be construed as creating any liability on Wilmington, individually or personally, to perform any covenant either expressed or implied contained herein, all such liability, if any, being expressly waived by the parties hereto or by any Person claiming by, through or under the parties hereto and (d) under no circumstances shall Wilmington be personally liable for the payment of any indebtedness or expenses of the Owner Lessor or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Owner Lessor under this Site Sublease.

Section 12.12. Measuring Life. If and to the extent that any of the rights and privileges granted under this Site Sublease, would, in the absence of the limitation imposed by this sentence, be invalid or unenforceable as being in violation of the rule against perpetuities or any other rule or law relating to the vesting of interests in property or the suspension of the power of alienation of property, then it is agreed that notwithstanding any other provision of this Site Sublease, such options, rights and privileges, subject to the respective conditions hereof governing the exercise of such options, rights and privileges, will be exercisable only during (a) the longer of (i) a period which will end twenty-one (21) years after the death of the last survivor of the descendants living on the date of the execution of this Site Sublease of the following Presidents of the United States: Franklin D. Roosevelt, Harry S. Truman, Dwight D. Eisenhower, John F. Kennedy, Lyndon B. Johnson, Richard M. Nixon, Gerald R. Ford, James E. Carter, Ronald W. Reagan, George H.W. Bush, William J.
